

Your community. Your foundation.

A Gift in Your Will

“Death is not a round table topic, but it’s better to be proactive than reactive, and if you want your life to have some meaning beyond the grave then this is the best way to do it.

Wayne MacDonald, bequest donor,
The Wayne P. MacDonald Human Fund

What will your legacy be? William James said that the greatest use of life is to spend it for something that will outlast it. London Community Foundation can help you fulfil your charitable dreams in a way that’s flexible and customized to you and the causes closest to your heart.

We make it easy for you to give strategically. Our Foundation is known for its highly personalized service, in-depth community knowledge and creative giving solutions.

With a donation through your will, you can choose to create a fund in your name, with your gift invested in perpetuity – then the earnings are used to drive community change, forever. You can establish your legacy by donating cash, appreciated securities, life insurance or other assets (with tax benefits). We’d be delighted to welcome you to the Lorraine Ivey Shuttleworth Society, recognizing those with the forethought and generosity to make a legacy gift (or you can remain anonymous).

We can work with your lawyer to insert this wording into your will: [Your Name](#) has made a bequest of [type of bequest](#) to London Community Foundation (charitable registration number 107641953RR0001). The Foundation, upon receipt of this bequest, shall direct the bequest to the capital of the [Fund Name](#).

You don’t need to be a millionaire to make a gift in your will. This is an incredibly meaningful gift to make – and we can walk you through it, no matter what you have to give.

We’re always happy to hear from you and provide further information. Please contact:
